BALLET

Twirl, leap, and point your toes! Ballet is all about moving with grace like a ballerina or a prince. In class, dancers learn beautiful steps, balance, and posture while dancing to pretty music. It helps kids build strength, focus, and confidence —plus, it's super fun to wear a tutu or ballet slippers!

TAP

Click, clack, tap, and snap! Tap dance lets kids make music with their feet using special tap shoes. Dancers learn cool rhythms, patterns, and fun combinations that help them feel the beat. Every class is like a dance party full of toe-tapping fun!

JAZZ

Jazz is upbeat, sassy, and full of energy! Dancers stretch, jump, turn, and groove to fun music while learning moves that build strength and flexibility. It's great for kids who love to perform, shine, and show off their own unique style.

HIP-HOP

Get ready to bust a move! Hip-Hop is a high-energy style that lets kids bounce, pop, and groove to their favorite music. Dancers learn awesome combos and cool moves while building confidence and coordination. It's all about fun, style, and letting your personality shine!

POM

Pom is full of energy, excitement, and sparkle! Dancers use pom-poms to add extra fun to their sharp, powerful movements. It's a great way to build rhythm, coordination, and confidence while dancing to upbeat music. Perfect for kids who love to move with big energy and bold style!

ACRO DANCE

Flip, roll, stretch, and soar! Acro Dance mixes dancing with tumbling and tricks like cartwheels, bridges, and handstands. It's all about moving safely with strength and control while having a blast learning new skills. A great choice for kids who love to move!

RECITAL SHOW ASSIGNMENT ESTIMATES FOR 2026

Please note: This is a preliminary estimate of which classes may be grouped together for recital shows. These groupings are subject to change and cannot be guaranteed until final show assignments are confirmed in the new year.

Exact time assignments cannot be determined at this time—for example, we are not yet able to tell you whether your dancer will be in the first, second, or third show. Our A, B, and C labels are simply for grouping purposes and do not reflect the final order of shows. Additionally, CDC dances cannot be placed in these estimators at this time due to scheduling needs.

We're trying a new process this season in hopes of offering families a bit more insight earlier on. If we find it's not helpful or causes confusion, we'll reevaluate and adjust for next year.

We appreciate your understanding, flexibility, and kindness as we work to create a recital day that celebrates each dancer. It's one special day out of the year—and we're committed to making it a memorable one for your family!
