Tuition starts at \$45/month for one 30-minute class. Our tuition rates are based on the total number of minutes your child is enrolled in each week.

For example:

If your child is enrolled in a 1 hour 15 minute class and a 1 hour class each week (a total of 2 hours and 15 minutes), your monthly tuition would be \$95.00

If you choose to withdraw mid-season, a \$30 convenience fee will be charged per dancer.

Tuition is charged to your credit card on file on the 10th of each month, unless payment has already been made before that date. Credit card payments will include a processing fee

A \$25 late fee will be added to any account with an unpaid balance after the 10th. Please make sure to review our full payment policy for all details.
