

DRESS REHEARSAL:

Students should arrive at dress rehearsals (Western Community Arts Center 1400 S Dearing Rd, Parma, MI 49269) dressed in their first costume. Each level will have a specific location to remain in during the shows and dress rehearsals. Each area will be monitored by a staff member or helper.

For dress rehearsal, most students will be kept in the audience with their class. Parents are welcome to sit with them in the audience with their class. We will have classrooms for students who need to change and a dressing room for Levels 3 & 4. Rehearsals will be running in the order below. If your dancer has to change, please have them put their items in the available classroom. Parents, you are welcome to help your dancer change in the classroom during dress rehearsal if you would like, otherwise, a staff member will help them. For the show, we will have staff members there to help them change and you will remain in the audience. There will be signage directing you where your child goes and staff to guide you in the right direction. Please keep your child in their assigned area so we are able to retrieve them easily when it's time for them to dance.
