## SPREAD THE LOVE WEEK

Join us February 9th-14<sup>th</sup> for Spread the Love Week! Dancers are welcome to wear their best Valentine outfits to class all week long. Please make sure dancers hair is up, they have the correct shoes, and can still move in their outfits!

## Attendance Matters

January–May is an important time as dancers learn and perfect their recital dances. Absences during this time make it difficult for both your dancer and their classmates. Ongoing absences may require private lessons or could result in not participating in the spring recital.

## RECITAL

**May 1<sup>st</sup> & 2<sup>nd</sup>**

Recital details will be released this month! Please be sure to read all emails regarding recital information as they come your way—there's lots of important info ahead.

## Snow Day Policy

Studio 55 does not always follow school cancellations. Since classes begin at 4:00 PM, roads are often cleared by then. If conditions feel unsafe or our staff cannot travel safely, classes will be canceled. Any weather closures will be announced by 3:00 PM via email, text, and social media.

Dancers who miss class due to a weather closure may attend a makeup class in any style within their age group. Just email us, and we will be happy to help!

**Weather decisions are never easy. We consider staff travel, teen drivers, timing of weather, and extreme temperatures. Sometimes we get it right, and sometimes we wish we had done things differently, but safety will always come first. We truly appreciate your understanding and support.**
