

MISSION:

Our mission is to provide young dancers with pre- professional dance training and rich opportunities to inspire their creative journeys while fostering a space for students to join together in fellowship.

WHAT IS CDC?

Creation Dance Company consists of a group of dancers ages 7+ who are looking to grow in their dance knowledge and experiences. Company dancers are required to take specific classes, participate in additional performances, come to additional rehearsals, and come to one to two conventions/competitions. This is Studio 55's most serious program and is aimed for dancers who are looking to grow, compete, and perform! Dancers who join our company will experience so much growth as dancers, but more importantly, growth as humans!
