

Recital 2021:

Recital 2021 is taking place over the span of May 13, 14, and 15 at the Hillsdale County Fairgrounds in the Tedrick Horseshoe Pavilion. Due to limited seats, we will be having 5 shows this year. This will allow us to have smaller crowds that can stay socially distanced as well as less students backstage.

Below you will see the schedules for our dress rehearsals and shows. Students are expected to arrive ready to go with makeup on, hair off their face and secured in a low bun. Hair appointments will also be offered for each show. Parents are welcome to drop their students off for dress rehearsal and leave, or stay in their vehicles.

Recital Video and Photos:

We will not be offering the option to purchase a recital DVD this year, so feel free to take your own photos and videos. We know that dance recitals are exciting and we encourage you to share your videos and photos via social media for friends and family to see! We want you to show off just how hard your students have worked this year! We do ask that if you do choose to post videos and photos, that you tag us @studio55schoolofdance to give our teachers credit for their choreography.
