PICTURE DAY

SATURDAY, APRIL 13TH

Picture day will be Saturday, April 13th at Studio 55. Below you will see the scheduled times and order for each class to have individual and class (both are optional) photos taken. If you have siblings who dance at Studio 55, (whether in the same class or different) you will be able to get sibling photos taken as well.

There will be NO dance classes on Saturday, April 13th. All students are welcome to participate in picture day instead.

Please have students arrive in their first costume (order posted below) with their hair and makeup done. If possible, plan to arrive 10 minutes before your time slot. **If you arrive late, we will not be able to wait for you for our group photo.** You may do your student's hair however you would like for picture day as long as it is pushed away from your child's face. We recommend eye makeup, blush, and lip gloss. Since these photos are for you and your family, how much makeup you use is up to you! All hair accessories are kept at the studio until recital to ensure they do not get lost. Please do not take these home!

We will have 2 bathrooms, a dressing room, and a curtained-off area for students to change costumes if required.

Photo orders will be placed online this year (as opposed to filling out and turning in a physical form). We will contact you when the photos are available to view online (after picture day). Then, you can decide which photos you'd like to order online.

If your child will not be able to make it for picture day, please let us know beforehand. This way, we are not waiting on your child to arrive.

*Note: Our lobby is VERY small! Please do not bring multiple people to picture day. One parent for each student is preferred.*
